

## Valentine's Day Love Story Art Piece Suggestions and Idea Guide

Congratulations on making the decision to create a Custom Art Piece about YOUR Love Story. We truly believe that it will be one of the most romantic gifts you will ever give.

Ultimately, we need a list of words, phrases, names, dates, etc. that describe you and your special someone and your relationship. Type up your list in any text format and email it ([sales@aodesigns.org](mailto:sales@aodesigns.org)) back to us once it is complete. We'll start production of your final art piece and even send you a sneak preview of your piece.

Please use this guide to help you brainstorm your unique list of words. Note that this is just a rough guide to help you create your list. Feel free to think outside of the box and get as creative as you want. Get Creative!

What attracted you together? (Love of animals, beautiful eyes, sense of humor...)  
Things that you like to do together (sleep-in, take walks, camping, shopping, volunteering, going to church...)

**Describe them** - include any flattering adjectives that describe your special someone (funny, beautiful, shy, sexy, tall, outgoing, loving, caring, friendly, etc.) Go Crazy!

**Describe yourself** - since this is your Love Story too, be sure to include adjectives that also describe you.

**"Pet" Names** - Include any cute pet names that you may have for each other (sweetie, snuggle bear, stud muffin, honey, dear...)

**Special Places** - Where did you propose? What church do you attend? Where was your wedding? Have a special place you like to go to cuddle up? Ever make love in a strange place? Where did you go on your honeymoon? What restaurant do you go to on your anniversary?

**Hobbies and Activities** - List any hobbies either of you have (cooking, reading, jogging, football, golf, scrapbooking, skydiving, videogames...)

**Events** - any events you may have attended together or places you have travelled together (concerts, family vacations, foreign countries, theme parks...)

**Career and Professional** - Where do you each work? What are your occupations? What colleges did you attend? School Mascots?

**Inside Jokes** - Do you have any inside jokes that only they will know about. Are there any cute, embarrassing stories that would make them laugh?
